

Sadly, the latest announcement for the Government means hopes of restarting Calne Choral have been dashed for the immediate future.

Your Committee had been looking at possible options and was in discussion with Marden House as to how rehearsals of some sort might be restored. It was marginal before, but limiting groups to 6 takes away any chance of us restarting.

We weren't considering any form of concert; just giving the opportunity to those who wanted to sing again as soon as possible. Others could then come back when they felt comfortable. Even that goes back onto hold now.

To confirm, no subscriptions are due and won't be until we are confident that some normality is back, even if it isn't that which we knew before.

Stay safe and keep watching this website for updates.
